ABOUT ROXANNE

Hello, I'm Roxanne!

I'm a photographer, mom, wife and sister. I love popcorn to an almost unhealthy obsession, and don't talk much in the morning until I've had at least one cup of coffee. I prefer salt over sugar; and am told I have an unhealthy obsession with Sharpie markers.

When I'm not in the studio or taking pictures for my clients, you will find me on a sports field somewhere cheering on my son.

Graduating from high school is one of the first major milestones in a young person's life - **it's a big deal**. I pride myself on tailoring my photography to fit your style and personality, expressing to the world the unique individual you have become.

I truly enjoy working with high school seniors and I'm thrilled you're considering making Roxanne Knight Photography your senior photography studio. As a leading photographer, I am committed to providing you with a photography experience like no other. We keep up with the latest trends and listen to what our teen clients envision for their photoshoot.

You are guaranteed stunning senior portraits that will last a lifetime.

I'm excited and look forward to getting to know you soon,

Roxanne Knight, Photographer

BEHIND THE SCENES

You'll be relaxed and have a fun time. This type of atmosphere makes you comfortable and will guarantee you LOVE your portraits. We get out of the studio and visit amazing locations, and always have a great time.

This is what it looks like, but let's talk about styling YOUR senior shoot. Are you envisioning something classic and timeless? Elegant and eye-catching? Chic and sleek? Fun and carefree? Is there a special spot, a favorite color or a unique theme that sums you up? Your senior photos are images you'll cherish forever. We're here to do whatever it takes to make your experience and portraits as special as you are.

“Roxanne did a fantastic job on my daughter’s Senior Pictures. My daughter does not like to have her picture taken, but Roxanne made her very comfortable. They had a fun time and it shows in the photos.”

FAQ

We're going to make you look great, that's why you chose Roxanne Knight Photography. Your role is to relax - and we'll help you with all the details as well as natural posing.

HAVE FUN. RELAX. BE FABULOUS. BE BOLD. BE YOU.

Complexion

All of your photos will be retouched, so please don't be concerned about minor breakouts. We have you covered! If your acne is more severe, you're still okay. We're happy to make sure you look your best with additional retouching.

Friends & Parents

Your friends and parents are welcome to attend your photo shoot and often can be of help. However, if they are a distraction, it may be best to meet them when the session is over. You're welcome to have a couple of shots with a girlfriend, best friend, sibling or parent at no extra charge.

Weather

Don't worry about clouds because they actually even out the light and make for ideal shooting conditions. But, falling rain is an issue and we'll have to reschedule. We will try to contact you first, but please call if you have doubts or concerns @ [920.366.2424](tel:920.366.2424).

Props

They're great! Bring props that help show who you are. Some popular choices are:

- Sports equipment (football, basketball, baseball bat, etc.)
- Sports uniforms
- Musical instruments
- Activity related items (dance, art school clubs, etc.)
- Your furry friend (let's talk about this one)

LADIES

Hello Ladies - We want your images to be a true reflection of you. The camera picks up everything. Here's a few things to remember when planning for your photoshoot.

Get plenty of **sleep** the night before. Tired and baggy eyes show up in final images.

Apply your **makeup** as you normally wear it. Don't try something new.

Bring at least 2 outfits. Most senior girls change into 3 or 4 outfits during their session. Select a wardrobe that can coordinate together. (EX: pants that work with 2 or 3 different shirts)

Watch for **bra straps** and don't wear a dark bra under light-colored shirts.

Make sure your finger and toe nails are freshly painted or not at all. Basic or neutral tones work best.

Wear heels, pumps or boots. Weather they be plain, sassy, dressy or casual - heels make you stand out and look glamorous.

We're excited and can't wait to get started planning your session.

GUYS

Hey Guys - In general, young men are more laid-back when it comes to senior pictures. Get ready for your portrait session like you're planning to meet someone important.

Consider getting a **haircut** a few days before the session. No 'bed-head'.

Come to your session freshly shaven. We promise it will grow back.

Clean up those eye brows - they can be distracting. It makes a difference in the overall appearance.

Guys don't want to change a bunch of times, but variety is good. Bring more than you expect to use. This provides us with options with different backgrounds. Dress shirts should be ironed.

It's okay to have Mom or other girls help you in choosing your attire.

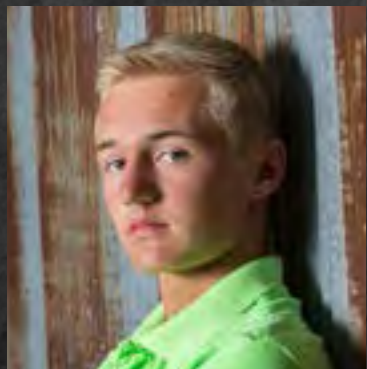

“Your creativity and artistic ability out shines everyone in the business! We couldn’t be more pleased.”
— Chris’ Mom

“Had both my daughter and son’s senior pictures taken by Roxanne. Absolutely creative, beautiful and the pictures caught their individual personalities. Stunning captures for both kids.”
— Sam’s Mom

“Josh’s photo session was great! He actually had fun, was at ease and, most important, Roxanne captured the real Josh.”
